

Faringdon Junior School

10th September 2015

Letter from the Governors

Dear Year 3 parents, carers and children,

Welcome to Faringdon Junior School! We hope your first week has been enjoyable and you are starting to find your way around and getting to know some of the teachers and staff.

We need you!

As a Governing body, we are tasked with ensuring high standards of achievement for all children in the school by:

- Setting the school's vision, ethos and strategic direction
- Holding the headteacher to account for the educational performance of the school
- Overseeing the financial performance of the school and making sure its money is well spent

As a group, we make regular visits to the school to investigate many areas, which last year included reading, marking, maths, curriculum, life without levels, what makes an outstanding lesson, Special Educational Needs provision and the Pupil Premium Grant.

The role of a Governor is very rewarding and we need more parents or friends in the community to join us. No experience is necessary and training is given. If you are interested in finding out more, please get in contact with us via the school office.

Above all, we hope that your child/children have a happy and successful time at Faringdon Junior School.

Kind regards,

Nicola Ferguson, Amelia Holden, Siobhan Vinall, Anthony Cook,
Sarah Smith, Emma Brant and Duncan Scott
